

ICLOCK990

Time & Attendance &
Access Control Terminal.

iClock990 is a 3.5-inch TFT screen Time Attendance & Access Control Terminal. It has a very user-friendly interface with the new firmware and latest core board. Users can easily manage data via RS232/485, TCP/IP and USS-host. Most importantly, the built-in 2000mAh backup battery can eliminate the trouble of power failure.

The iClock990 has access control interfaces for wiegand-in, wiegand-out, door lock,

Specifications

Fingerprint Capacity	8,000
ID Card Capacity	10,000 (Optional)
