Compatible With
ZSmart App

Brief Introduction

WD10 is Wi-Fi water leak detector to protect your home from water leakage. It is easy to install without wire and drilling required, therefore the detector can be placed and used at will according to requirements. The Wi-Fi supported water leak detector is compatible with all-in-one smart home app ZSmart. When you are away from home, you can receive real-time notifications about the abnormal status, such as flooding basement, washing machine leak and so on.

WD10 will be a wise choice for washing machine, water tap and kitchen, it creates a safer, smarter, and more convenient lives.
